## COURSE OBJECTIVES

By the end of this presentation, participants will be able to...

- Review PTA supervision guidelines from the WI state practice act.
- Review PTA supervision guidelines from APTA documents.
- Review PTA supervision guidelines from the Code of Ethics.
- Discuss application of PTA supervision guidelines to clinical examples

## PROGRAM DESCRIPTION

This course will examine PTA utilization and supervision across a variety of practice settings. Participants will work in small groups to discuss how practice act requirements, professional standards, reimbursement regulations, business considerations, and ethical requirements combine to guide decisions regarding delegation to and supervision of the PTA. PT's and PTA's are cordially invited to attend. This course will satisfy the ethics/jurisprudence requirement for licensure renewal.
