

CLINICAL EDUCATION WORKSHOPS

*APTA Clinical Instructor Education & Credentialing Program

The program [2 days or 15 contact hours] addresses issues of planning and preparing for physical therapy students during their clinical experiences; developing learning experiences and supporting ongoing learning through questioning and effective feedback. Skills of student evaluation are discussed, as well as the identification and management of students with exceptional situations. It includes information regarding student supervisory guidelines as well as legal, regulatory and ADA issues. An "Assessment Center" provides each participant with the opportunity to apply information from the program in simulated situations. **15 contact hours**

**APTA Advanced Clinical Instructor Education & Credentialing Program

This focus of this new course is **best clinical practice** and **best clinical teaching**. This course is open only to physical therapists who have taken the original CI Education and Credentialing Program workshop. It includes 2 days of programming along with some online preparatory work to be applied in class. **16.75 contact hours**
